COURSE OUTCOMES:

A Four year undergraduate program of Arts (BA) outcomes include developing skills like critical thinking, analytical ability, and effective communication (written and verbal). Graduates are also prepared for further academic study, like a master's degree, and are eligible to appear for competitive exams for various careers. Specific course outcomes will vary by major, but generally involve gaining in-depth knowledge of a chosen field, such as literature, sociology, or economics. Also include Generic elective(GE) Subjects. While core subjects provide a foundation in specific fields, GE subject offer students the flexibility to explore other areas, enhancing their overall versatility and employability.
